| 2. The assessment and whether a shoe is approved or not is determined by several different factors as set out in Technical Rule 5.                                                                                                                                                                                                                                                                                                                                                                                       |  |  |
| 3. The list is not a complete list of every shoe that has ever been worn by an athlete. If a shoe is not on the list, it can be because a manufacturer has failed to submit the shoe, it has not been approved or is an old model / shoe. Any shoe from before 1 January 2016 is deemed to meet the technical requirements of Technical Rule 5 and does not need to be approved unless requested This deemed approval does not prejudice the rights of World Athletics or Referees set out in the Rules and Regulations. |  |  |
| 4. Any shoe in the list highlighted in blue is a development shoe to be worn only by specific athletes at specific competitions within the period stated.                                                                                                                                                                                                                                                                                                                                                                |  |  |
